

Tree of Lights Campaign is Underway

During the holiday season, Regina's *Tree of Lights* campaign offers a very special way to remember friends and family members. 2011 contributions will help purchase a Pediatric Infusion Syringe Pump that can administer IV antibiotics in smaller volumes for infants and children, ensuring safety when caring for our littlest patients.

See the *Tree of Lights* on the rooftop at our main entrance.

Donate \$25 or more, and receive a keepsake "Star" Christmas ornament!

 **Regina
Foundation**
