

Vital Signs Monitors for Each Patient Room...

Proceeds from the Regina Classic will be used to purchase Vital Signs monitors for each patient room on the Medical/Surgical floor! If you've ever been hospitalized, you know that blood pressure, heart rate, temperature and oxygen levels are good indicators of a patient's condition. With the help of Regina Classic supporters, there will be no more wheeling monitors in and out of rooms! Individual Vital Signs monitors offer increased technology, improved safety, quality care and efficiency for our patients. It gives the Regina nursing staff more time to deliver the outstanding care that our patients rate so highly on their satisfaction surveys!

Did you know...?

The Regina Classic was originally started as the Larry Yanz Memorial Golf Tournament in 1984 by the family of Larry Yanz. The event was named in honor of their father, a well-known member of the Hastings community and owner of the prominent Bierstube restaurant. Proceeds were donated to Regina Medical Center until 1995 when the event was turned over to Regina.
